

Amelia, Chandra,

On behalf of the 55+ BC Games Host Coquitlam, I would like to thank and BCTTA for your continuing support of the Games over the years. The Games just concluded this Saturday noon and I would like to extend my special thanks to Mr. Chandra Madhosingh who presented medals to all the winners of the day.

The Games was a successful one with no major issues. The table tennis tables and all associated equipment were in excellent shapes and our participants enjoyed to play on them the entire week. I also would like to thank Mr. Li who helped in delivering and removing of your equipment in a professional way.

The following web links show all the photos taken during the week and the results of the Games
