**Subject: New Membership Fee Structure
September 1st 2011 to August 31st, 2012**

Dear Member,

During the Annual General Meeting held on September 25, 2011, the following membership structure was adopted:

There are now only 2 categories of membership:

1. Voting members —
 1. A person who is 19 years of age or older and who chooses to be a voting member;
 2. An organization that chooses to be a voting member;
2. Non-voting members —
 1. A person who is fewer than 19 years of age or younger;
 2. A person who is 19 years of age or over who choose to be a non-voting member;
 3. An organization that chooses to be a non-voting member;

Fee structure:

Voting members - \$30.00 (September 1st to August 31st of the following year);

Non-voting members - \$20.00 (September 1st to August 31st of the following year).

Please be advised that both voting and non-voting members are eligible to participate in sanctioned tournaments. However, regardless of whether you choose to be a voting or a non-voting member, you must be a member in good standing with respect to the payment of dues before you are eligible to participate in sanctioned tournaments.

For those who are already members and have paid under the old system of fees, the appropriate refunds, if any, will be arranged.

To be eligible for a refund of previously paid member fees, please fill in the enclosed membership application form and return to our office, and be sure to circle the membership category. It will be processed accordingly.

Thank you.
