Safe Sport Commitment and Policy

Date of Approval: July 8, 2026, Next review: 2028
Approved by: Board of Directors

British Columbia Table Tennis Association is committed to creating a sport environment that is accessible, inclusive, respects its participants' personal goals, and is free from all forms of Maltreatment. BCTTA's board directors, staff, and coaches have completed Commit to Kids training (from the Canadian Centre for Child Protection and Coaching Association of Canada).

The welfare of all participants in the sport is one of BCTTA's foremost considerations. Every member of the table tennis community is responsible for protecting vulnerable individuals. BCTTA is primarily a youth-athlete development organization and should develop policies, procedures, and standards to guide members of the table tennis community in achieving a Safe Sport Environment.
